Interests

- Thermodynamics
- Fluid Mechanics
- Heat Transfer

Education

Amirkabir University of Technology (Tehran Polytechnic) September 2019 -

present

B.Sc., Mechanical Engineering

GPA: 3.55 / 4

Supervisor: Prof. Mohsen Bahrami

Allameh Tabatabaei High School September 2016 - June 2019

Diploma in Mathematics and Physics

GPA: 19.32/20

Allameh Helli NODET Middle School September 2013 - June 2016

Diploma in Mathematics and Physics

Technical Skills

Programming and Scripting Languages

Python, C++, Matlab

Engineering Software

EES. Catia

Language Skills

Persian: Native English: Fluent

German: Beginner

Honors

- Achieved top 0.4% place among all applicants of the <u>Nationwide University</u> <u>Entrance Exam</u> for B.Sc. in Mathematics and Engineering 2019
- Admitted into the Amirkabir University of Technology which is ranked second among universities in Iran 2019
- Admitted in the First stage Nation-wide Mathematics contest of "Olympiad"
- Accepted in the National NODET Middle School Entrance Exam, where less than 1% of the applicants were eligible 2013

Teaching Experience

Thermodynamics (I) Fall 2021

Teaching Assistant - Instructor: Dr. Hashem Moradi

Notable Coursework projects

Fuels & Combustion Spring 2022

Preliminary design of a gas turbine combustor using EES Github

Instructor: Dr. Ehsan Amani

Heat Transfer (I) Spring 2022

Heat transfer analysis of a falling hollow sphere Github

Instructor: Dr. Behzad Baghapour

Selected Courses

Thermodynamics (I): A+

Thermodynamics (II): A

Fluid Mechanics (I): A

Strength of Materials (II): A+

Science of Materials: A Numerical Analysis: A

Engineering Mathematics: A+

Probability & Statistics: A
